**‘Clinic at Walmart’ Operated by Wuesthoff Health System to Host
‘Free’ Health Fair at the Walmart Supercenter on Merritt Island**

Brevard County, FL (May 20, 2010) The ‘Clinic at Walmart’ Operated by Wuesthoff Health System will host a ‘free’ Health Fair, **Saturday, June 12, from 10 am to 2 pm**, at the Walmart Supercenter on Merritt Island, **1500 East Merritt Island Causeway, Merritt Island.**

The Health Fair will host numerous ‘free’ healthcare services including blood pressure, pulse ox and glucose screenings, along with heel scans for osteoporosis testing. In addition, parents can make appointments for their children for summer, school, camp and sports physicals.

The Clinic at Walmart Operated by Wuesthoff Health System opened in December 2009. Focused on offering prompt access to affordably priced acute and preventive care for common health ailments, the Clinic at Walmart offers routine physicals, drug testing and pre-employment screenings, blood sugar testing, diabetes, and cholesterol screenings. In addition, the clinic offers treatment options for sinus infections, upper respiratory infections, allergic conditions, sore throats, earaches, bladder infections, insect bites, stings, vaccinations and more.

“For busy customers who seek affordable, convenient, and accessible healthcare, especially during evening hours and on weekends, the Clinic at Walmart Operated by Wuesthoff Health System is playing a key role in the healthcare of thousands of Brevard County residents,” said Lisa Crites, Wuesthoff Health System associate director of media strategy and new business development.

Wuesthoff Health System and Walmart will open additional clinics over the next year including Walmart Supercenter in Cocoa, this summer; Palm Bay and Melbourne Supercenters in the winter 2010, and Titusville in the spring of 2011.
