**‘Clinic at Walmart’ Operated by Wuesthoff Health System to Host  
‘Free’ Health Fair at the Walmart Supercenter on Merritt Island**

**Brevard County, FL** (September 1, 2010) The ‘Clinic at Walmart’ Operated by Wuesthoff Health System will host a ‘free’ Health Fair, **Saturday, September 18, from 10 am to 2 pm**, at the Walmart Supercenter in Cocoa, **2700 Clearlake Road, Cocoa, FL.**

The Health Fair will host numerous ‘free’ healthcare services including blood pressure, pulse ox and glucose screenings, along with heel scans for osteoporosis testing.

The Clinic at Walmart Operated by Wuesthoff Health System focuses on prompt access to affordably priced acute and preventive care services. The clinic offers routine physicals, drug testing and pre-employment screenings, blood sugar and diabetes screenings. The clinic also offers treatment options for sinus, upper respiratory, and bladder infections, allergic conditions, sore throats, earaches, insect bites, stings, flu vaccinations and more.

(more)

“For busy customers who seek affordable, convenient, and accessible healthcare, especially during evening hours and on weekends, the Clinic at Walmart Operated by Wuesthoff Health System is playing a key role in the healthcare of thousands of Brevard County residents,” said Lisa Crites, Wuesthoff Health System associate director of media strategy and new business development.

Wuesthoff Health System and Walmart will open additional clinics over the next year including Palm Bay and Melbourne Supercenters in the winter of 2010, and Titusville in the spring of 2011.
